Summary

•Experience in Android app development
•Experience in PHP\MySQL based web development
•Research experience in machine learning with Python
•Interested in machine learning, image processing

Experience

Junior Software Engineer
Arcade Studios
Jul 2020 - Present (1 month +)

Software Engineer
Arcade Studios
Nov 2019 - Jul 2020 (9 months)

Education

Chittagong University of Engineering & Technology
Bachelor of Science in Computer Science & Engineering
2017 - 2021
Level 3 Term II

Govt. Ananda Mohan College
HSC, Science
2014 - 2016

Mymensingh Zilla School
SSC, Science
2006 - 2014

Licenses & Certifications

Convolutional Neural Networks - Coursera
H2CF2QYSAKSW

Computer Vision - Image Basics with OpenCV and Python - Coursera
AVCFPZ4Q8C6T

Applied Data Science with Python Specialization - Coursera
82T9SH3974VZ

Skills

Machine Learning • Android Development • Software Development • C • C++ • C# • Java • Python (Programming Language) • HTML • MySQL
